Decisions:

#	Decision	Reason
---	----------	--------

Action items:

#	Action item	Who	Due date
---	-------------	-----	----------

Finished action items:

#	Action item
1	Collect phones from friends
2	Try to get phones from companies. (According to supervisor IDI does not have any)
3	Create acceptance tests (not necessary anymore).

Pending action items:

#	Action item	Who	Due date
1	Make synchronization faster	all	7 November
2	Prepare a "wow" demonstration	all	7 November

Summary: We have started the meeting with presenting the prototype 4. Customer suggested that we should improve the discovery process (locating the devices in grid) and make it faster in sprint 5. He also suggested that in next sprint we should come up with some "wow effect" demonstration that we could use for final presentation.

Next meeting: 24 October 2013

Meeting adjourned at 16:00.
